

Grey Box Decking

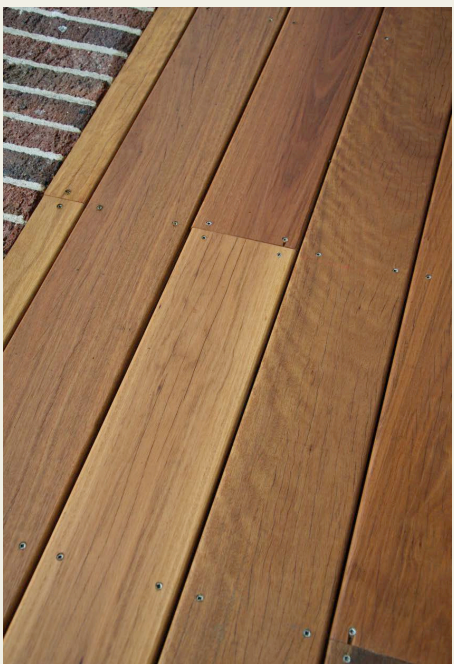

Grey Box is the perfect choice when selecting a Hardwood deck that you need to last. With its unbelievably high natural durability and its super hard density, Grey Box is suited to all the harsh conditions that the Australian environment can throw at it.

The life of a beautiful Grey Box deck is greater than 40 years* in an external environment – the highest durability ranking available.

Grey Box is an Australian classic Hardwood, manufactured in Australia, buy an Australian owned company – Grey Box is a home grown species that is perfect for outdoor applications.

We produce Grey Box into sawn boards which are then kiln dried to the rigorous Hurford standard before final production and quality assurance phase.

** Australian Standard 5604 – 2003 – Timber – Natural durability rating.*
