

STIFF STAY®

HORSE FENCE

PREMIUM AUSTRALIAN PREFABRICATED FARM FENCING

Specifically designed to be safer for horses, tight picket spacings prevent pawing and step-through. While the smooth clean knot has no sharp ends, to reduce risk of cuts and injury.

Stiff Stay® is manufactured using the latest technology. The tight cross-over knot design locks the wires together, giving you a fence that resists buckling or sagging.

5cm
spacing
