

STIFF STAY®

PREMIUM AUSTRALIAN PREFABRICATED FARM FENCING

Manufactured using the latest technology, Stiff Stay® features a clean smooth knot with no sharp wire ends that's easier to install and protects stock from injury.

The tight cross-over knot design locks the line wire and stay wire together, giving you maximum strength and a fence that resists buckling or sagging.

2.80mm TOP & BOTTOM EDGE WIRES

HIGH TENSILE PICKET & LINE WIRES
